A Generations of Faith Day of Reflection and Retreat

We are ordinary Catholic Women, living ordinary Catholic lives. But what is ordinary about living the Catholic Faith in today's world? God calls us to live in a culture, a culture of Faith, the foundation of which is love. By our Baptism, we were called to cultivate this culture with other-centered intentions and deeds. When this Faith Culture drives our life decisions, we find harmony in our workplace, marriage and family. When we pass the Faith Culture on to our children, they are better able to make loving choices. When we bring the Faith Culture to our workplace, God's Kingdom leaks into the popular trends of our world and takes root. If you are an

ordinary Catholic Mother, an ordinary Catholic Wife, or an ordinary Catholic Woman, this day was designed with you in mind. Building on knowledge and Faith growth emphasized in our Generations of Faith sessions, we will explore together our role as Ordinary Catholic Women.

We are ordinary Catholic Women called to live a deep intentional love that reaches beyond ourselves. How Extraordinary! Join us on Saturday February 6th for a day of reflection and retreat from the ordinary. The day will begin with morning Mass at 8:00 am and end with the weekly celebration of Eucharist at 5:00 pm. If you are able to join us for the entire day, invite your family to meet you at Mass at 5:00 pm. The full day will allow time for faith sharing as well as quiet reflection time, Eucharistic Adoration (time before the Blessed Sacrament) and individual confession.

If you are unable to commit to the full day, please join us from 9:00 am to 3:00 pm for active sharing and reflection.
