Review the choir schedule and complete the following section.
If you can assist with more than two practices or masses, (i.e. would prefer the first, second, third, etc. Wednesday of each month) please note that on this flyer.

Eleanor has asked for two parent volunteers per practice and mass. With so many talented choir members, each parent only needs to sign up for two practices or masses per child for the entire year (just to be clear - if you have two children in the choir, please sign up for four practices,). A final schedule will be handed out shortly.
